Hardware List for Sofa: seventy 2" screws, four 3½" bolts with nuts

Parts

Step 1 — Install Back Rails

2" Screws, Back Rails

Lay a side assembly on a protected surface such as cardboard or blankets.
Secure the back rails using two 2" screws in each rail using the pilot holes. Set the assembly upright and secure the other side assembly in the same way.

Step 2 — Install the Skirt Board

2" Screws, Skirt Board

Use 2" screws in the pilot holes of the front skirt board to secure it to the side assemblies.

Step 3 — For Love Seat and Sofa Only

2" Screws, Center Leg Assembly, 4- 3½" bolts with nuts

Unfold center legs to where bolt holes line up. Insert bolts and tighten nuts. Position each leg with 20¼" (20" for sofa) in between the two legs. Measure the top and bottom of the leg to make certain the leg is straight. Secure with 2" screws in pilot holes in leg assembly and back slats.
